

The Price Center in West Newton has an affordable housing opportunity available in Newton (Auburndale). This is a Newton Housing Authority disability set aside. There are (2) openings: for two women or two men with cognitive developmental disabilities age 22 to 32. The program is partially supported through a Mass Health benefit of Group Adult Foster Care assistance. The remainder is paid by the individual tenant which includes: rent with heat at 30% of the tenants total income; a weekly case management fee; electricity, cable/phone/internet and other incidental expenses shared with the tenant's roommate as well as the general costs of food, clothing and entertainment. An interested candidate must be a client of the Department of Developmental Disabilities.

Please refer interested persons to Karen Manning, Director of Family Support.
